Human Proteome Organisation

How to Become a HUPO Member

IMPORTANT CHANGE

New HUPO membership applications will go through an approval process by HUPO Membership Committee and HUPO Executive Committee.

The approval process of new applications will take four weeks from the time the application is submitted and payment is made.

Membership renewal of existing members WILL NOT go through the approval process. Existing Members, please ensure that your membership dues are up to date.

Discount to attend the HUPO 7th Annual World Congress, Amsterdam 2008 is applicable only to approved members with active status.

To register for membership, please see:

www.hupo.org/overview/membership

Benefits of Membership

- ◆ Discount to HUPO 7th Annual World Congress, Amsterdam 2008 registration
- ◆ Special discount on Selected Products from Invitrogen
- ◆ Special discounted rates for HUPO members for Molecular and Cellular Proteomics, Proteomics, and Proteomics-Clinical Applications
- ◆ Priority for training/education programs and discounts on registration costs for selected training/education programs
- ◆ Access to fellowship and subsidies for graduate students and post-doctoral fellows for training/education programs
- ◆ Access to monthly newsletters that highlight HUPO activities such as training and education, seminars, conferences, congresses, technical advances, and proteomic standards
- ◆ Access to HUPO sponsor-companies for technology development in proteomics
- ◆ Access to membership directory (coming soon!)

HUPO reserves the right to change its membership fee structure or benefits to its members without prior notice.
